

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INVESTIGATION OF PROGRAMS)	
TO FURTHER THE GOAL OF)	ADMINISTRATIVE CASE NO. 312
UNIVERSAL TELEPHONE SERVICE)	

O R D E R

On March 14, 1988, the Public Service Commission issued an Order in Administrative Case No. 312 directing the Local Exchange Carriers ("LECs") to collect certain data from applicants for Link-Up Service. The Commission would like each LEC to submit a written analysis of this information for the calendar year 1988. The analysis should discuss the success or failure of the program in attracting low-income subscribers to the telephone network. It should also address the LEC's payment experience with the Link-Up customers.

Initially, the Commission directed that the data be collected for one year. However, the Commission is still interested in receiving a quarterly report stating the number of new Link-Up customers added to the telephone network each quarter.

The Commission, having been sufficiently advised, is of the opinion and finds that:

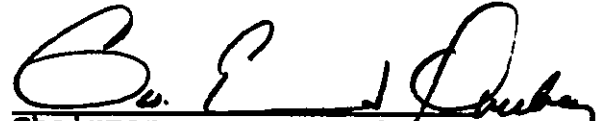

1. Each LEC shall prepare an analysis of the Link-Up data for the calendar year 1988 and submit it to the Commission by July 15, 1989.

2. Each LEC shall submit a report each quarter of the calendar year stating the number of additional Link-Up recipients for that quarter within 15 days of the end of the quarter.

BE IT SO ORDERED.

Done at Frankfort, Kentucky, this 27th day of June, 1989.
